

This conceptual plan shows the location of the 6-acre Old Mill Road parcel that the town is proposing to purchase for a new multipurpose athletic field. The land would be bordered on the west by the remaining property of the sellers, Timothy and Sarah Arnold. Harvard Park, where the McCurdy Track is located, abuts the proposed parcel on the southern side and most of the eastern side. The land next to the northeast corner of the parcel is owned by another private resident.
