## PUBLIC HEARING

The Harvard Select Board will hold a Zoom (virtual) public hearing on **Tuesday, July 2, 2024**, at 7 p.m. to answer a pole petition from National Grid. The proposed petition would permit National Grid to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

### Ayer Road

National Grid to relocate one JO pole on Ayer Road beginning at a point approximately zero feet south of the centerline of the intersection of Ayer and the Harvard Town Line and continuing approximately 715 feet in a south direction. Relocate existing pole #218-1 southerly from its existing location to be placed directly across from existing Pole #218. This new location is approximately 715' from the Ayer/Harvard Town Line. This will allow the customer at 345 Ayer Road to remove a tree.

Meeting participation instructions will be listed on the meeting agenda posted on the Town of Harvard's website at least 48 hours prior to this meeting. Any persons interested or wishing to be heard regarding this petition should appear at the designated time and place or may submit written comments no later than 12 p.m. on the date listed above to [jdoucet@harvard-ma.gov](mailto:jdoucet@harvard-ma.gov).
