## Notice of Availability

### Supplemental Environmental Assessment for the Hotel Range Renovations Devens Reserve Forces Training Area

**AGENCY:** Installation Management Command (IMCOM) and Devens Reserve Forces Training Area (DRFTA).

**SUMMARY:** The U.S. Army Reserves has prepared a Supplemental Environmental Assessment (SEA) to analyze necessary design changes which were not identified in the Hotel Range Renovation EA 2020. This SEA also defines and explains the Compensatory Mitigation Plan (CMP), as well as wetland permits, to evaluate the environmental effects associated with the proposed action, design changes, wetland replication and restoration efforts, and ongoing mitigation/monitoring of wetlands. The SEA considers potential consequences to the human and natural environment associated with the proposed action and the above-mentioned updates.

**DATES:** Agencies and the public are encouraged to provide written comments on the SEA and Finding of No Significant Impact (FNSI) and Finding of No Practicable Alternative (FNPA). The SEA, FNSI, and FNPA are available for 30 days of public review and comment period, beginning with the date of this publication, at the following libraries: Ayer Library, Harvard Public Library, Hazen Memorial Library, Thayer Memorial Library.

**COMMENTS:** Further information, including an electronic copy of the SEA, may be found online on the following website: <https://home.army.mil/devens/index.php>.

Written comments will be received and considered for 30 days after the publication of this notice. Questions or comments concerning the SEA should be directed to: Zygmunt V. Osiecki, Environmental Chief. Mailing Address: 30 Quebec St. Bldg. 666, Box 10, Devens, MA 01434-4479.
